Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Question of Tokelau

Resolution adopted by the Special Committee at its 1495th meeting, on 10 July 1998

The Special Committee,

Having considered the question of Tokelau and having heard the statements of the *Ulu-o-Tokelau*, the highest authority of Tokelau, and the representative of New Zealand, the administering Power,

Recalling the solemn declaration on the future status of Tokelau, delivered by the *Ulu-o-Tokelau* on 30 July 1994, which states that an act of self-determination in Tokelau is now under active consideration, together with the constitution of a self-governing Tokelau, and that the present preference of Tokelau is for a status of free association with New Zealand,

Recalling also General Assembly resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, and all resolutions and decisions of the United Nations relating to Non-Self-Governing Territories, in particular, General Assembly resolution 52/77 of 10 December 1997, adopted at its fifty-second session,

Recalling further the emphasis placed in the solemn declaration on the terms of Tokelau's intended free association relationship with New Zealand, including the expectation that the form of help which Tokelau could continue to expect from New Zealand in promoting the well-being of its people, besides its external interests, would be clearly established in the framework of that relationship,

Noting with appreciation the continuing exemplary cooperation of New Zealand as the administering Power with regard to the work of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to Tokelau and its readiness to permit access by United Nations visiting missions to the Territory,

98-21302 (E) 060898

Noting also with appreciation the collaborative contribution to the development of Tokelau by New Zealand and the specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme and the International Telecommunication Union,

Recalling the dispatch of a United Nations visiting mission to Tokelau in 1994,

Noting that, as a small island Territory, Tokelau exemplifies the situation of most remaining Non-Self-Governing Territories,

Noting also that, as a case study pointing to successful decolonization, Tokelau has wider significance for the United Nations as it seeks to complete its work in decolonization,

1. *Notes* that Tokelau remains firmly committed to the development of self-government and to an act of self-determination that would result in Tokelau assuming a status in accordance with the options on future status for Non-Self-Governing Territories contained in principle VI of the annex to General Assembly resolution 1541 (XV) of 15 December 1960;

2. *Also notes* Tokelau's desire to move at its own pace towards an act of self-determination;

3. *Commends* Tokelau's ongoing work in charting a distinctive constitutional course, reflecting its unique traditions and environment;

4. *Also commends* Tokelau for current initiatives and endeavours, based on wide consultation with its people, to construct a true "house of Tokelau", acknowledging the role of the village as the foundation of Tokelau, as well as the need to continue the process of strengthening the basis of national self-government;

5. *Acknowledges* the attention being given to broader matters of governance, including Tokelau's efforts to establish clear local channels of responsibility and accountability in national and village government;

6. *Notes* the desire of Tokelau, in consultation with the Government of New Zealand, to take over responsibility for the Tokelau Public Service and the willingness of the New Zealand Government to make the necessary legislative changes, reflecting its already well-advanced policy of devolving that part of government which deals with the interests of all of Tokelau;

7. *Acknowledges* Tokelau's need for reassurance, given that local resources cannot adequately cover the material side of self-determination, and the ongoing responsibility of Tokelau's external partners to assist Tokelau in balancing its desire to be self-reliant to the greatest extent possible with its need for external assistance;

8. *Welcomes* the assurances of the Government of New Zealand that it will meet its obligations to the United Nations with respect to Tokelau and abide by the freely expressed wishes of the people of Tokelau with regard to their future status;

9. *Invites* the administering Power and United Nations agencies to continue their assistance to the social and economic development of Tokelau;

10. *Decides* to continue the examination of the question of the Non-Self-Governing Territory of Tokelau and to report thereon to the General Assembly at its fifty-third session.

Economic and other activities which affect the interests of the peoples of the Non-Self-Governing Territories

Resolution adopted by the Special Committee at its 1495th meeting, on 10 July 1998

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, as well as all its other relevant resolutions, including, in particular, resolution 46/181 of 19 December 1991,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that any economic or other activity that has a negative impact on the interests of the peoples of the Non-Self-Governing Territories and on the exercise of their right to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV) is contrary to the purposes and principles of the Charter,

Reaffirming further that the natural resources are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory, and bearing in mind the need to promote the economic stability, diversification and strengthening of the economy of each Territory,

98-21308 (E) 040898

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious also that foreign economic investment, when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes, could make a valid contribution to the socio-economic development of the Territories and could also make a valid contribution to the exercise of their right to self-determination,

Concerned about any activities aimed at exploiting the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. *Reaffirms* the right of peoples of Non-Self-Governing Territories to self-determination in conformity with the Charter of the United Nations and with General Assembly resolution 1514 (XV), containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as their right to enjoyment of their natural resources and their right to dispose of those resources in their best interest;

2. *Affirms* the value of foreign economic investment undertaken in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes in order to make a valid contribution to the socio-economic development of the Territories;

3. *Reaffirms* the responsibility of the administering Powers under the Charter to promote the political, economic, social and educational advancement of the Non-Self-Governing Territories, and reaffirms the legitimate rights of their peoples over their natural resources;

4. *Reaffirms its concern* about any activities aimed at the exploitation of the natural resources that are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations, in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, and in such a way as to deprive them of their right to dispose of those resources;

5. *Affirms* the need to avoid any economic and other activities which adversely affect the interests of the peoples of the Non-Self-Governing Territories;

6. *Calls once again upon* all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in the Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises;

7. *Reiterates* that the damaging exploitation and plundering of the marine and other natural resources of the Non-Self-Governing Territories, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

8. *Invites* all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the peoples of the Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

9. *Urges* the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

10. *Calls upon* the administering Powers concerned to ensure that no discriminatory working conditions prevail in the Territories under their administration and to promote in each Territory a fair system of wages applicable to all the inhabitants without any discrimination;

Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Military activities and arrangements by colonial Powers in Territories under their administration

Decision adopted by the Special Committee at its 495th meeting, on 10 July 1998

1. The Special Committee, having considered the item entitled "Military activities and arrangements by colonial Powers in Territories under their administration" and recalling General Assembly resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the Special Committee urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The Special Committee reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Committee once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the General Assembly.

98-21314 (E) 060898

4. The Special Committee reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The Special Committee deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The Special Committee takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

7. The Special Committee requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

8. The Special Committee decides, subject to any directives that the General Assembly may give in this connection at its fifty-third session, to continue to consider the item at its next session.
